Meeting called to order by Brian S at 7pm

Darlene Sullivan seconds the meeting minutes of our previous meeting in November, 2012.

Open business was discussed including:

- Sandy Janiski request for \$100.00 from NRC for the Christmas Fund was approved, as back business.
- The Board approved \$100.00 for the defense fund pool for NRC Board and all RC boards.
- Mary Bannan indicates her winter running program is going well with 23 runners.
- Wendy Fisher, Mike Schmidt, and Kenny Hildt have offered to help Joe and Pam Gast with the baseball program. Their interest is to learn by instruction and experience from Joe Gast so the program may stabilize and grow.
- Wendy Fisher discusses her fund raising ideas and concepts to energize baseball and put it on solid financial ground. She indicates great interest in helping and getting underway.
- Brian indicates basketball has 142 kids participating.
- Lisa Emge advise us that P&R are losing two long established stalwarts at P&R, Paul Yanney and Rob Bailey.
- Travel baseball is discussed, there is some potential interest in field use. It is collectively voiced that recreation programs should take priority for field use. It seems the RC presidents are reviewing this collectively.

Meeting is adjourned. Next NRC meeting is March 11, 2013.
