Meeting called to order;

Meghan reported for P&R that personnel change was underway within P&R under new administration, and to be prepared to work within tight budget constraints.

Meghan reminded us of the upcoming P&R Dinner on May 29th, \$35.00/pp, at the Richlin Ballroom.

John gave financial summary indicating all was balanced and in good shape. He proposed retaining outside accounting support for non-profit status review. Voted and agreed unanimously.

John reminded us of the annual NRC golf outing on May 2nd, get your foursomes in early. Cost is \$85.00/pp.

Toby proposed paying a cleaning crew to prepare the restrooms for pavilion rentals. Mary Bannan offered her son for the job, and was hired.

Mike Schmidt explained that NRC Baseball would hold opening day on May 9th.

Mike also shared he is considering beginning a coed Rugby program for kids, non-tackle to start. Mike has experience with starting rugby, having done so in Aberdeen.

In general all existing programs are running well, basketball had a very successful season, and is growing. A lot of credit for the success is Brian Stoecker and Kurt Wilkinson's efforts, buoyed by a very strong coaching staff.

Potential new programs: Young Rembrandts, and Jump Rope were both supported to proceed, and we look forward to their success.

Meeting adjourned, Next Meeting May 13th
