Meeting called to order.

- P&R advises electric cigarettes will not be allowed on P&R property.
- NRC board approved the \$100.00 contribution to the blanket liability protection offered by the entire Rec Councils board.
- NRC board approved the additional wording to background checks.
- The County Rec Councils bull roast is upcoming, and currently no-takers for attending.
- The NRC clothing apparel link is going up soon on our website.
- Darlene Sullivan suggested an Applebee's night out as a fundraiser, per Brian.
- John Lawrence advised the tax exempt status is still a work in progress, but Judy expects completion shortly.
- Brian Stoecker reports two basketball coaches have applied for the McCormick community service grant.
- Additionally Mike Schmidt is pursuing a Giant community grant.
- Mary Bannan has agreed to serve as Secretary for a 2 year term.
- Mike Schmidt indicates baseballs registration is going well. Opening Day for Baseball is May 10<sup>th</sup>. Currently 5 teams are forming with the potential for a sixth...which is great news.
- Brian Stoecker advised that basketball was a success with all teams doing really well and two teams winning titles.
- Jim Janiski reported Before & After School is fine, with numbers around 26-27 children.
- John Lawrence indicates the Golf Outing is underway, with a few early foursomes, and he has purchased a one-day insurance policy for liability, cost \$200.00.
- John Sliger indicates as the weather turns warmer Horseshoes will begin. He was excited to advise an Eagle Scout will be building the new pits by the pavilion in addition to the accompanying benches. Further the outdoor lights for the volleyball courts may be adjusted to allow for night "shoes".
- Keith Comer reports basketball is good with a solid 15-17 regulars playing some competitive basketball.
- Mary Bannan indicates 30 children are participating in cross country. Included in their spring schedule is the Bel Air Town Run. The RC chose to support the XC program by funding team T-Shirts.
- Softball is dormant for a year.
- Lee Mundle explained that adult volleyball is lagging with poor numbers and he may take it dormant for a season if interest does not pick up.
- Meghan of P&R reports the Flyer information must be in now. The telephone poles will be picked up as spring comes on...P&R crews have been loaned out to county highways due to the heavy winter weather taking priority.
