Meeting called to order:

Ron Reagan of Riddell Sports introduced himself and Riddell and all their products, including; T-Shirts, Uniforms, Sports supplies and sports equipment. We appreciate his time and information. In particular we should consider as a source for uniforms.

Meghan introduced her replacement within P&R for Norrisville, Josh Lemly. We are glad to hear Josh comes from P&R Maintenance Dept., this will give him a great foundation and understanding of our needs at Norrisville Rec. Meghan wrapped up her tenure with a brief summary of the sea-change that has occurred within P&R; multiple retirements and position shifts have occurred with specific openings being addressed.

We wished Meghan well in her new job at Forest Hill P&R, and another alumnus, Lisa Emge, has been promoted to Chief of Recreation. Norrisville has friends.

Josh added to Meghan's comments about the drastic change within P&R, mentioning that right now there is 1 person managing mowing for the northern region.

NRC offered to sponsor a table at the P&R Annual dinner for any coach, board member, officer and guest. NRC contributed \$100.00 towards gifts for the annual dinner.

JohnL reported the annual golf outing had its most successful year. Over \$4100.00 was raised. John attributed that to the sold-out status and very strong sponsorships. John also reiterated his desire to see funds go towards supporting youth. All agreed and it was proposed to come up with some concepts to review and choose in the fall.

JohnL reported the financials for all of our programs are strong. John will check on our address versus a BG&E billing address discrepancy. The accounting firm

undertaking our non-profit status is well into its work, possibly by the end of the year this will be completed.

JohnS advised the Horseshoe league on Thursday nights has begun with 10 pitchers, and the Tuesday night league starts the following week, all are welcome to join.

JohnS will be purchasing two Horseshoe sets for our new pits at NRC. These will be available to use for free, against a refundable deposit.

Toby advised Soccer is off to a slow registration start.

Baseball is wrapping up a successful season, Mike is reviewing possible league changes for some teams.

Potential new programs: Young Rembrandts has begun the process of broadcasting their program and setting an initial date. We have not had success contacting the Jump Rope contacts, but will continue to locate and move ahead.
