

November 11, 2009

Norrisville Rec Council Meeting: 7pm

Next meeting will be 1/13/10

The Yanning Family has suffered several misfortunes and a vote was taken to approve the donation of \$100 to this family from the general funds

The topic of the Concession stand vandalism has been curbed until more Board Members are in attendance at the Jan, 2010 meeting

Crab Feast was a success, 172 people were present and \$2300 was raised for the programs. Next years Crab Feast will be taken over by Dan & Jenn Greene

Ernie Preston is the new Website manager, send all inquiries to him that you may want changed about your program or added to it

Spring Adult Softball- waitlisted to get in with the Jarrettsville league, will know more in the coming months

Basketball Season has begun, there isn't a lot of free gym space open now as the teams have taken most of it for practices

Basketball feels that we need a gym divider due to increase in basketball registration. Practice times are limited and a gym divider would enable us to have two teams practice at one time thus increasing practice availability. Funds would need to come from the recent crabfeast and upcoming golf tournament

We are looking to have a LARGE fundraiser with the PTA and Fire Company, please share any ideas you may have on this

Dodgeball has started with a great turnout of 20 people

John Lawrence increased the number of foursomes at last years golf tournament and expects to sell out again this year.

Mens basketball is averaging 10-12 players, should increase during winter.

Indoor soccer has registrations this month. U15 boys/girls and U18 boys/girls won soccer championships this year
