Keith Comer, Mens Bball  
Mike Schmidt, Baseball  
Donny Ayres  
Doug Kettell, Bd Member  
Mary Bannan, Cross Country  
Nicky Giordano, Strength  
Toby Marindin, Vice President

- Minutes were approved
- Brian opened meeting and advised of his recent rec council presidents meeting minutes
  
- Current business:
  
- Brian indicated the pavilion rentals are up, and raised the idea of adding horse shoe pits at the pavilion to further enhance the rental experience. It was brought to a vote and passed, and will proceed IF the county approves.
  
- John Lawrence updated us on the Tax ID status. John has recruited Judy Murkowski (sp) to aid with determining the trail of our Tax ID and where it possibly ended. Importantly he has an on-going dialogue with the IRS, our exemption request is in and will first be corrected with the Fed's and then the state.
  
- Mike Schmitt will use the \$2500.00 grant awarded NRC for updating baseball supplies. Baseball is making progress with a new organization and Scott Bruno has helped.
  
- Brian Stoecker indicates the early basketball numbers are about the same as last year, it appears the number of teams will be similar to NH and Jarrettsville. Equal playing time will be stressed in the league.
  
- Keith Comer indicates men's basketball has good numbers, steady attendance with ages ranging between 18-50.
  
- Jim Janiski advises before and after school is fine.
  
- Mary Bannan advises Cross Country is fine.
  
- Nicky Giordano advises Strength Training is fine.
  
- Meghan would like the P&R winter flyer information by 11/29.
  
- Effective January 1<sup>st</sup> the open gym policy will be changing, some concerns have been loudness, worn basketball nets, unsupervised youth. Programs in the gym will need to be registered with P&R, and pay a \$5 fee.
  
- Meeting Adjourned, next council meeting will be January 7<sup>th</sup> 2014, at 7pm.
