B. Stoecker called the meeting to order and advised the following in his Presidents report.

- The County Executive was looking at one insurance package all councils could buy into. It was found that the county cannot bid the project as the councils are separate legal entities. A sample package has prepared by procurement if multiple councils wish to do a joint package. The county may give grants to offset costs.

- FY 2014 Capitol Budget request was put in at the September Presidents meeting. Norrisville requested \$500,000 for development of Norrisville park.

- FY 2013 Small Grant request initially was a cattle gate for the entrance but was changed to two new soccer goals for the U-15 Girls, U-11 Boys, and U-18 Boys soccer tournaments that Norrisville held this month.

- The bleachers obtained from the 2012 Small Grant request have been delivered.

- The B o D approved a \$100 donation to Darlene Sullivan's daughter as a sponsorship in the Maryland Teen USA Pageant.

- All Chairpersons are reminded to deposit your checks right away. Some checks have bounced because checks were being held too long.

- Tennis court renovation moved back to the spring.

- One World Run to be held November 17.

- Joe Gast will continue as Baseball/Softball Chair and Tony Weaver will continue as Soccer Chair.

- Due to some incidents during baseball and soccer season an email was sent to all on the NRC email list to read the Code of Conduct that is posted on the website.

- Jeannie Brown is the new web contact with our webmaster.

- Brian will forward the minutes from the Presidents meetings to the B o D for their review.
