John Lawrence, Treasurer

John Sliger, Horseshoes

Mary Capellan, After School Fitness

Mary Bannan, Yoga

Grace Lee, Young Rembrandts Art

Bob Jacobs, HFC

Missy Berrell, NES Gym

Toby Marindin, President

Guest:

Mary Bannan introduced Mary Capellan the new program chair for After School Fitness. We appreciated the transition and all that Mary Bannan has done to create such a strong After School Fitness program. It has really become a marquis program within NRC.

Bob Jacobs, head of HFC (Harford Football Club) spoke and thanked NRC for providing field space for the HFC program in the late fall of 2015. He is interested in working with NRC again, and came to gauge our interest. It was determined the best path forward will be a meeting between HFC, NRC, and the Forest Hill RC. These three entities are all involved so a clear understanding and plan will improve the chance of success.

Ms. Berrell, Phys Ed. Teacher at NES appealed to NRC for gym supply funding. This was received unanimously in favor and Mary will follow-up with Ms. Berrell to determine the amount required.

Treasurer's report, we have officially received our federal 501c3 status again. John is addressing this status with Maryland. All accounts are up to date. The small grants reimbursement for the Men's Lacrosse safety netting is in the works and should be received by February.

Program reviews:

Golf Fundraiser, John advises the NRC annual fundraiser is May 7th.

Horseshoes, John advises, has gone into hibernation, understandably. Once the weather turns warmer the throwers will be back out at Eden Mill.

After-School Fitness, Mary Capellan is on board as program chair.

Youth Basketball is having a good season, without incident.

Men's Basketball has their normal successful participation.

Before & After School has 26-30 kids.

Men's Lacrosse had a successful fall season and now is in hibernation. Carl advises the program will have a late winter fitness program in the gym.

Youth Soccer, the program is looking for a Program Chair and coaches.

Baseball will hold opening day on May 7th.

New Programs Status:

1. Coed Kids Rugby non-tackle, Mike Schmidt will be kicking this program off in mid-May and run through June. Mike has experience both playing rugby and was part of the successful Aberdeen program.
2. Archery is under review.
3. Hiking is under review.
4. Ballroom Dancing is under review.
5. Meditation and Relaxation is under review.
6. A Family Fun Day run in conjunction with NES to celebrate the end of school and beginning of summer is under consideration and would include fireworks. Possible dates are June 3rd, 9th and 18th. As always volunteers will be needed.

Small Grants funding is still available so NRC will consider for baseball supplies.

The Norrisville Scholarship criteria is in the development stage, and to be continued.
